New Addition #2

We are very appreciative of the consistent growth of the Sunset Bay Walleye Shootout tournament and proud of the anglers that come from near and far. With that, we are pleased to announce that we are Officially a sanctioned tournament with the Cabelas National Team Championship curcuit.

At no additional cost, all teams are in the running for this great opportunity. For the team winning the Sunset Bay Walleye Shoot Out Championship, they will earn a position in the 2025 BassPro/Cabelas National Team Championship! Good luck to everyone.
